

Addapt Code of Practice

- **To operate all its Drink Drive Awareness courses such that the basic minimum criteria are met, as required by DSA and such that its published course details and content are consistently applied.**
- **To co-operate fully with DSA officers, or their appointed agents, in pursuance of their monitoring role.**
- **To demonstrate a positive, helpful and appropriate approach in all its dealings with clients, including provision of details of other providers where appropriate**
- **To operate with fairness, integrity and openness in its dealings with Courts and other Addapt members, especially in situations where more than one member is serving the same court area**
- **To foster productive local network links within each court area including Magistrates, court officials, police, local authority road safety practitioners, journalists and other such that the awareness and impact of courses are maximised.**
- **Not to take any action or make any public statement that brings the Drink Drive Awareness Scheme or Addapt into disrepute.**
- **To agree to co-operate and meet any reasonable request of elected Addapt officers for information in order that compliance with this Code of Practice can be verified.**
- **If Addapt excludes a member for some serious breach, it would look to the DSA to take appropriate action.**
